Come As You Are, Leave As A Champion

Mrs Cartwright's Message

This week, I introduced Langdale's pride. Explaining to the children that pride had two meanings - a sense of belonging to a group or community and a sense of pride for an achievement. We talked about how we could display this in school and the children were amazing with their responses. We now have purple tokens that carry a value of 10 points for any child displaying behaviour which shows a sense of pride for our school. They are hard to achieve and our behaviour must be exemplary to receive one. I have given out 4 tokens this week for children showing maturity beyond their years, for children looking after the school environment and for children supporting others against all odds.

We had some important visitors this week and all of them commented on how polite and well-mannered our children are. Well done Langdale children, you really make me burst with pride and I look forward to handing out more purple tokens for the extra special behaviours that we strive for in our wonderful school.

We are thoroughly enjoying sharing special events with our parents and wish to thank you for your ongoing support.

JOKE OF THE WEEK!

What do you call a number that can't stay in one place?

A roamin' numeral!

Our school target is 96%

Things To Remember

- Term Time requests for holidays will be declined in line with the managing attendance guidance, unless exceptional circumstances can be agreed.

Upcoming Events

Express Yourself

The theme for this year's Red Nose Day is Express Yourself with no rules. We would like the children to come to school in whatever they want to, have their hair however they want, bring any snack of their choice for break time (NO NUTS PLEASE). This will be a day of 'no rules', within reason of course!

Children will be designing their day with their teachers, so be prepared for joke telling sessions and magic lessons.

Maths "Learn With Me" Sessions

How often do you feel unable to support your child with maths, because we don't teach it like they used to?

We are inviting our parents to join in with a maths lesson alongside their child, to learn with them and to see how maths is taught. A separate email has been sent on Arbor with details of dates and times.

- Nuts
- Fizzy drinks or energy drinks
- Toys

Nursery Admission

There is still time to submit your child's application form for Nursery, September 2023 start.

Please contact the school office for more details or to obtain an application form and to arrange a visit. Our settings are calm, nurturing environments where children progress in the 7 areas of learning. We take time to embed the Prime areas in our Nursery to set our children up for the best educational start in life.
