Come As You Are, Leave As A Champion

Mrs Cartwright's Message

The beginning of a new academic year is always a special time. Staff and children are refreshed from the holidays, training is all completed and new visions and strategies are launched.

One thing that is always consistent with the staff at Langdale, is how much we look forward to teaching our new classes. We began our learning with our launch days, whereby the children were introduced to their new core texts. This gives our children an opportunity to step into the character role or recreate the setting and experience the feelings of the characters. Our new writing journey ensures that we provide our children with plenty of opportunities to discuss ideas. Mrs Nadin and I are excited to be attending Voice 21 training in a few weeks. Voice 21 is a project which focuses on developing "Oracy" in children. We have already implemented Picture News as part of our assembly offer, which is providing children with opportunities to express themselves orally. This is a key component in supporting quality writing.

Mrs Plant (Miss Grantham) is very excited to be our whole school reading lead and is focused upon creating quality reading experiences, particular in Early Years. Our Early Explorers in the Nursery will soon receive our new big books and Nursery "recommended reads" pack.

This is available free of charge for our families. We understand that we are in difficult times with the cost of living increasing. We can provide a parcel for you and your family.

Attendance

Please note, that the school needs to be compliant in offering 32.5 hours of education for every child in September 2024, therefore we will be opening our doors at 8:50 across the school for a soft opening, to allow parents time to drop off around the school. More info will be sent out when we will be doing a formal consultation on the change of the current school day. We are gathering information on how our parents are using the soft opening to support our final decision making.
