

Work Together, Learn Together, Grow Together

At Langdale Primary School, we are committed to providing our children with a curriculum that has a clear intention and impacts positively upon their needs.

Curriculum statement for the teaching and learning of Art and Design 2019/20

<p style="writing-mode: vertical-rl; transform: rotate(180deg);">Intent</p>	<p>At Langdale Primary we value Art and design as it gives children of all abilities opportunities to use their creative imagination to achieve their potential. Children work individually and within a group to develop the social and personal skills. Art is not taught in isolation, wherever appropriate it is linked to other areas of the curriculum and gives children opportunities to develop specific art skills. A high-quality art and design education intends to engage and inspire children, equipping them with the knowledge and skills to experiment, invent and create their own works of art. They should also know how art and design contributes, shapes and reflects our history.</p>

Implementation	<p>Curriculum Approach Children develop artistic skills each year building on their prior knowledge. Art is taught throughout other areas of the national curriculum making links to areas such as history. Children are taught about historical and cultural development, learning about significant artists and designers. Children have opportunities to create works of art, explore ideas and evaluate creative works using language of art and design.</p>	<p>External Stimuli Children from nursery through to Year 6 are taught about Art and design through our international days, themed days, topics, visitors, trips and exhibitions.</p>	<p>Whole School Art</p> <p>During the Sid Kirkham Award Art week children create a piece of Art work linked to an artist or theme.</p>
	<p>Resources Children have access to a wide variety of Art resources and have opportunities to use a range of media.</p>	<p>Thoughtful Questioning that encourages deeper thinking about creativity and interpretation of Art.</p>	

Impact	<p>By the end of each key stage, pupils are expected to know, apply and understand the matters, skills and processes specified in the relevant programme of study.</p>			
	<p>PUPIL VOICE Through discussion and feedback, children talk enthusiastically about their Art lessons and other cross curricular lessons (e.g. themed days). Children across the school articulate well about the benefits of learning about artists and being creative.</p>	<p>EVIDENCE IN KNOWLEDGE Pupils know how and why it is important to learn and develop creative skills. Pupils know how art and design has shaped and contributed to history.</p>	<p>EVIDENCE IN SKILLS Pupils use acquired vocabulary in lessons. Pupils understand and demonstrate artistic skills through work produced.</p>	<p>BREDTH AND DEPTH Teachers plan a range of opportunities to use art skills and knowledge through creative and inspiring sessions inside and outside school.</p>
