

Y5 Spring: Design Technology: Textiles and Joining

Enquiry Question: Can we use textiles to combine different fabric shapes to make a pair of slippers?

Cath Kidston

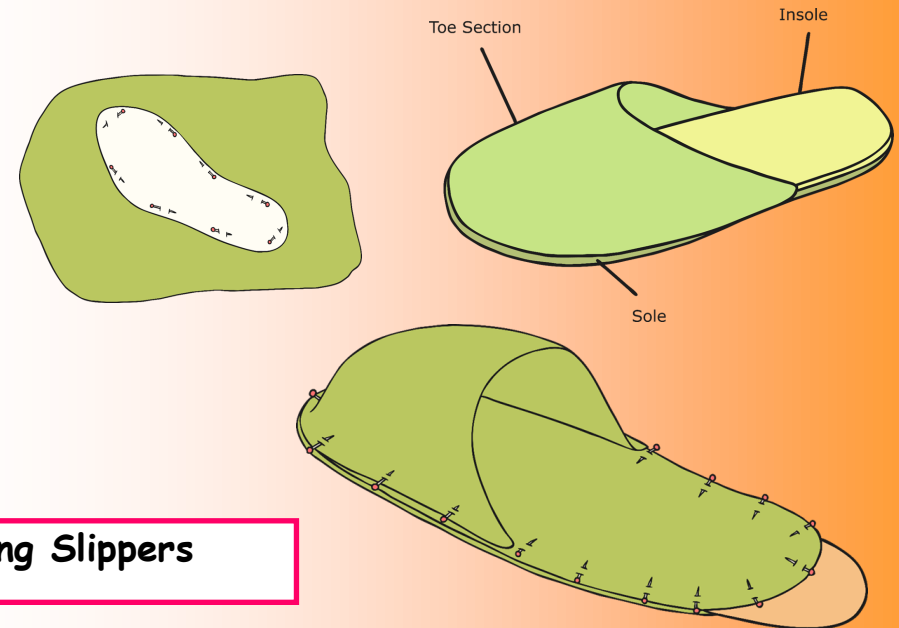

She is an English fashion designer, businesswoman and author whose company, Cath Kidston Limited sells home furnishings and related goods online, through franchises and by mail order. She is particularly known for her nostalgic floral patterns and has also published a number of books.

Key Vocab

design
embroider
evaluate
fray
mock-up
seam
sew
template
toe section
sole
insoles
components
running stitch
back stitch

We will follow a flowchart for the making process, including using a template and sewing techniques to join the fabrics.

Making Slippers

We will evaluate our end product to see what could be improved or what could be done differently next time.
