

We investigate  
who and what is  
important.

**Significance**

We know why  
things  
happened and  
what followed  
as a result.

**Cause and Consequence**

We use evidence and think critically to show what the past was like.

## Interpretation

We use sources to find out about the past.

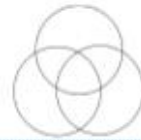

## Evidence

We compare periods of history and identify what is similar and what is different.

**Similarity and Difference**

We know what happened when and in what order.

**Chronology**

We investigate what has changed and what has stayed the same over a period of time.

**Continuity and Change**
