Early Adopters Breakfast club

Dear Parents / Carers,

I am pleased to inform you that our Early Adopter Breakfast Scheme officially launches on **Monday 28th April 2025**. This is a free breakfast club that provides 30 minutes of free childcare along with a free breakfast.

Children attending, who are **in Reception, Y1 – 6** will need to be dropped off at the Main school entrance for **8:15am** and their session lasts until 8:45am.

If your child currently attends Care Club, they will automatically be taken up to the Early Adopters Breakfast Club at the correct time for their year group.

Please note that we will not accept any children in to the breakfast club earlier than the time stated above. If you require an earlier drop off you will be required to use care club which will still be available from 7:30am and will be charged at the new rate of £3.50.

Once their session has ended the children will go straight to their classes for morning registration.

To keep in line with the school's healthy eating standards there will be a choice of cereal, toast, fruit and yoghurt. There will also be options available for children with specific dietary requirements. We will hopefully be having special breakfasts on selected days throughout the duration of breakfast club, as we have taken on board some of your feedback already.

We will be having a trial run of our Breakfast Club on Thursday 10th April just before half term. If you would like your child to attend this trial day and for the duration of Breakfast Club for the Summer Term please fill in the following form.
